truSmart Plug & Play 12V PIR Sensor Black

**General Data**

|                                |                                       |
|--------------------------------|---------------------------------------|
| Technology                     | PIR   IR                              |
| General Application            | Commercial   Industrial   Residential |
| Operating Temperature Range °C | -10 - +40                             |
| Warranty (Years)               | 5                                     |

**Electrical Data**

|                   |        |
|-------------------|--------|
| Wattage (W)       | 0.5    |
| Mains voltage (V) | 12V DC |

**Sensor Data**

|              |              |
|--------------|--------------|
| Remote / APP | truSmart APP |
|--------------|--------------|

**Physical Data**

|                |       |
|----------------|-------|
| Housing colour | Black |
| Body material  | ABS   |
| IP Rating      | 65    |

**Standards and Approvals**

|                           |                      |
|---------------------------|----------------------|
| Certificate Of Conformity | Available on Request |
| Accredited Members        | LIA, ISO9001         |
